All Systems Go for UFO Race Championship 2009 Opener!

(June 1, 2009) The green flag will wave for the start of the 2nd season of the UFO Race Championship on Saturday Night, June 6 at Pennsylvania's PA Motor Speedway. The PENNational will showcase two of the most powerful divisions of racing, the UFO Super Late Models and the 410 Super Sprints.

The UFO Super Late Models championship feature will run a distance of 33 laps, paying \$2,500 to the winner. The winged 410 Super Sprints will also compete for \$2,500 to win. PPMS's ultra-competitive Pro-Late Models will race for \$550, E-mods for \$450 and Sportsman for \$350. The Factory Stocks and Young Guns will round out the racing program. All classes will compete for DIRTcar points.

PPMS has provided outstanding racing in the 2009 season on the wide, monster half-mile. The first five Super Late Model features in 2009 at PPMS were won from an incredible average starting position of 12th on the grid; 9th, 10th, 12th, 12th and 17th! The driver-and-fan-friendly UFO format along with the excellent PPMS surface promised to provide spectacular racing action.

UFO Super Late Model car rules were adjusted during the off-season to introduce the Option 2 rules set to better equalize the performance of spec motor cars against the open cars on high-speed tracks like PPMS. PPMS has also applied the Option 2 rules to their weekly show in 2009 with perfect results; wins and top finishes by both motor types.

Under the option 2 rules set, spec motor cars will be required to weigh 2,250 with a 12" spoiler, and nose spillboards will not be permitted. Open motor cars will also have the same weight limit of 2,250 with an 8" spoiler. All cars will have a maximum deck height of 40". An open brand/compound tire rule will be in effect at the "PENNational" for the UFO Super Late Models as well as the 410 Sprints, Pro-Late Models, E-mods and Sportsman. All tires must meet specified measurements. Pro-Late Models will be required to have a minimum hardness of 32 and will receive a 50 pound weight break for unsiped Goodyear tires.

RACEceiver 1-way radio communication will be required at all PPMS events in 2009. Rentals will be available at the track. PPMS will also utilize the optional rule of moving cars 1 lap down to back to the lead lap during caution periods.

Gates will open at 4:30 PM for the "PENNational", with warmups starting at 6:00 and racing at 7:00 PM. It should be noted that these times have been adjusted from the original advertised starting times. Adult admission is \$20, Seniors \$19, Juniors 13-16 \$15 and Children 7-12 \$5. Pit tickets will be \$32.
